Dear participants,
we appreciate your feedback on this blended training course, as it helps us to evaluate and possibly improve the course!

Please answer the following questions and share your suggestions with us.

1. How did you like the scenarios? *Please tick the appropriate box.*

	<i>Applies entirely</i>	<i>Applies a little</i>	<i>Applies not so much</i>	<i>Does not apply at all</i>
The content was appropriate in terms of scope.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The content was appropriate in terms of difficulty.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I can put what I learned into practice.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

2. Overall assessment. *Please tick the appropriate box.*

	<i>Applies entirely</i>	<i>Applies a little</i>	<i>Applies not so much</i>	<i>Does not apply at all</i>
I like the course in general.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The course was well organised.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The contents are helpful for my further work.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I have improved my professional career	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

3. System Usability. *For each of the following statements, mark the answer that best describes your reaction to the experience (scale 1-5 answers)*

	<i>1</i>	<i>2</i>	<i>3</i>	<i>4</i>	<i>5</i>
I thought the headset was easy to use					
I would need assistance to be able to use this VR experience					
I found the various functions of this headset were well integrated					

I feel confident using the headset					
I needed to learn a lot of things before I could get going with this headset					

4. Presence and interaction. For each of the following statements, mark the answer that best describes your reaction to the experience (scale 1-5 answers)

	1	2	3	4	5
How much were you able to control the events?					
How responsive was the environment to the actions you initiated or performed?					
How natural did your interactions with the environment seem?					
How much did the visual aspects of the environment involve you?					
How much did your experiences in the virtual environment seem consistent with your real world experiences?					
Were you able to anticipate what would happen next in response to the actions that you performed?					
How completely were you able to actively survey or search the environment using your vision?					
How much delay did you experience between your actions and expected outcomes?					
How quickly did you adjust to the virtual environment experience?					
How proficient in moving and interacting with the virtual environment did you feel at the end of the experience?					
How much did the visual display quality interfere or distract you from performing tasks or required activities?					
How much did the control devices interfere with the performance of tasks and activities?					

5. General feedback

	YES	MODERATELY	NO
Are you satisfied with the experience you have had in the face-to-face classes and VR laboratories?			
Do you think you have been properly followed and supported during the blended training experience?			

Was the outcome of the training in line with what was defined with the trainer at the beginning?			
Do you believe that the tasks and activities you have been doing are in line with what could help you in upgrading your career?			
In relation to the tasks assigned in the Laboratory, do you feel that in general your level of knowledge and skills has grown at the end of the training experience?			
Do you think that the contents you have studied in the modules have been helpful for you?
